Thursdays 3:30-5:00 April 13-June 1 at CV Woman's Club (no class May 11)

Students will study Acting, Singing, and Dance while rehearsing for the amazing fun production. This performance opportunity provides youth to engage socially, collaborate and team build while learning stage directions, making connections, and memories. SDCAP Director Laura Hodge has written ("rebooted") an updated version of Alice in Wonderland with music from the 80's, 90's, and 2000's. There's a part for everyone in this magical exciting production. All students will be cast. All roles are open to everyone. Students should always dress "Ready to Move"- comfortable clothing and shoes. Please bring a notebook, Binder, Pencils, Highlighter, and water bottle.
